

Digital Biomarkers in Clinical Trials Summit Consent and Privacy Notice

PanAgora Conference Group LLC (herein after PanAgora Pharma) are inviting you to register as an attendee or speaker to the:

- 7th Annual Digital Biomarkers in Clinical Trials Summit, on June 26th, 2024

The event is to be hosted at Roche Global Headquarters in Basel, Switzerland. This year's agenda focuses on the complexities and solutions around utilizing digital devices for objective data collection in clinical research and how this can benefit both sponsors and patients.

Rationale for the Digital Biomarkers in Clinical Trials Summit

The Digital Biomarkers in Clinical Trials Summit was designed to bring together global experts at the forefront of wearable sensor technology, data management, analytics, connected device & biomarkers strategies in clinical trials.

The Digital Biomarkers in Clinical Trials Summit agenda focuses on ways for pharma clinical trials to take advantage of new opportunities to collect better data and improve the patient experience; as well as how these new digital health tools supplement existing biomarker strategies.
